**\*Red Jewel 1:1 Bring a Friend section can be completed any time throughout the year**

**What if a Sparks Clubber misses a night or Awana is cancelled?** If the Spark wants to complete his or her book, upon return to Sparks, he or she will need to come prepared to recite the verse(s) that would have been recited on the missed night as well as the verse(s) to be recited on the night of return (as if no week of Club was missed).

**Does your Sparks Clubber need an additional challenge?** Then Frequent Flyer Cards are for them! Your child will do the review portion of the cards by saying the verse for the Frequent Flyer Card the week after reciting the verse in the handbook according to the schedule. Additionally, your child can begin work on the new verses and activities in a self-paced manner.
